14/074 PLAYGROUND UPDATE

Mark Hinton Chair of the Playground Committee reported to the Parish Council that the mound erected in the play area had created overlooking issues for residents of Medcroft Road whose boundaries back on to this area. Various solutions to rectify the problem where discussed. It was agreed that Mark would put together ideas and costings with the Play Area Committee and present them to the Parish Council at the next meeting on 8th September so that a decision could be reached as to what action, if any, should be taken.

14/075 Planning Application - 4 Winds

This application with discussed and in principle Councillors are not opposed to this application although they would have liked to have been informed about the change of use on the bungalow and there are reservations about its proximity to the burial ground and the proposed buildings there. Councillors were also not comfortable that it complies with the policies of the West Oxfordshire District Plan.
