- i. Verges – CC still to chase 4 Medcroft Road re repair of the verge.

20/350: To consider District Council matters: None.

20/351: To consider County Council matters: IH had circulated his monthly report, which was accepted without comment. LM asked for clarification regarding the 20mph campaign from OCC, as to whether or it will be rolled out into Tackley. IH could not confirm this, and commented that Tackley was tricky in pace traffic calming on the entrances to the village, which is required for the 20 mph to be enforced.

20/352: Elections: Advertisements must be out by 29th March and nominations must be delivered by hand (by appointment ONLY) to Woodgreen by 8th April. Contact CC if you require your electoral number. CC will forward on the criteria and information to all current councillors. PJ suggests the information to go into the next newsletter, CC to arrange.

20/353: Planning matters:

Closing date for comment is 23rd March. CC emailed the case officer, Sarah Heggerty, regarding the missing information. CC will ask for an extension so that plans can be viewed to be discussed on 29th at the Surgery. Applicants to get plans to be submitted for the application and will forward them to CC.

20/354: To consider Parish Amenities:

- i. Flooding and sewage issue: Registered a CCW account for the complaint and uploaded a brief and documents support it. They are now being assessed by OFWAT, once this is done and they feel it is granted then they will carry on the complaint with Thames Water. JC says a plan of action has been outlined since the meeting, but it was not very comprehensive and quite vague. TPC need to chase and keep the pressure on the matter. Simon Summerscale will monitor the ditch. Wayne to do a site visit and to contact landowners regarding their responsibility. The Hydro Break at the Barwood development needs to be checked that it is working in the correct manner and then regularly maintained.
- ii. Playground: Trevor Stewart will send a quote for work that needs to be undertaken to repair and maintain the play area.
- iii. CC to contact Cottsway Housing re a car park in Twynhams Road – still outstanding. The area of land outside the bungalows is not being used and it would take the cars off the road which at the moment is very congested.
- iv. OCC to put white lines on corner of Nethercote Road to prevent parking outside Rose Cottage. The white lines are important, as it is dangerous to park on the junction.

20/343: Matters of finance:

It was approved that the following payments were ratified and the impact the payment would have on the budget and reserves.

- i. Ratification of Payments:
 - C Carruthers £685.84
 - R Varney £456.00
 - Proposed: PJ, Seconder: LM

20/344: To consider other matters:

Two allotment plots have become available at the Village Hall; the top two people on the waiting list couldn't take them on at this time. Therefore, a plot was offered to Mr. Nudds and he chose Mr Perkins old plot, and the second plot went to the next in line. There are also two new residents added to the waiting list.

Signed as a true record of the Tackley Parish Council Meeting held on 15th February 2021.
