Meetings of Parish Council - Reminder

The Parish Council meets on a monthly basis on the second **Monday** of each month, followed two weeks later by an informal Monday surgery for 30 minutes. The next formal meeting will be on **12 June and the next surgery on 26 June**. Both meetings commence at 19.00 (7pm).

Should there be matters of concern before then please contact the councillors whose details appear above.

The Draft Minutes of all Parish Council meetings appear on the website two weeks after the date of the meeting: www.tackleyvillage.co.uk

Copies of this report are also circulated via Tackley emails.

Annual Footpath Week

If you are interested, this is planned for the week beginning 25 June 2017. For more details, please either, contact Neil Wilson -

email: neil.m.wilson53@gmail.com

or see the Notice boards and Tackley Notices for dates and times. Please do come and join us.

Permissive Footpaths

It is no longer possible to use these paths. This includes the path east of the station via Ashwell Bank and along Long Meadow.

Planning - '44b St Johns Road'

Your Council has made a strong case to the planning authority for the Refusal of Consent to this Application.

Bus shelter.

Following representations made by a resident at the last PC meeting the Council is undertaking further investigations into the provision of a shelter at the Village Hall stop that does not interfere with traffic in or out of the shop driveway, or with local properties. We do understand the general concern that, at this stop there is no shelter from inclement weather.

Traffic Issues

Your Council is further investigating these concerns, in the first place by commissioning a seven day survey on the three approach roads to the village and on Medcroft Road. Decisions about traffic calming measures will be taken when the report is available. It is considered that, currently at least there is no requirement for alteration to the parking arrangements in Nethercott Road.

Jubilee Garden

The plaque mentioned in the last report will be placed on the chair in the near future.

New Seat on the Green

This has now been put in place and, as can be seen from the photograph, looks very good, certainly a great improvement on the old one. Please treat it properly and report any vandalism.
