The Ladies toilet requires inspection. There is dampness caused by the overflow pipe resulting in damage to the plaster.

The water tank in the bar had overflowed during the car wash, due to the fitting of a hose pipe on to the mixertap, resulting in back pressure. Non-return valve should be fitted on outside tap at a later date.

Tiles to be fitted in kitchen and Gents toilet where water will be splashed back on to the wall.

The grant for the extension from Oxfordshire County Council is still outstanding. Approximately £1,200 is owed for the main doors. Other invoices on hold.

The situation regarding VAT exemption for the disabled toilet extension is to be investigated further.

£160 was received from the insurers for the broken glass.

26 Debentures were sold at £100 each, raising £2,600. These will be paid back on 1st April 1994 at a fixed rate of 5% simple interest per annum.
