

MINUTES OF THE MEETING OF TACKLEY VILLAGE HALL MANAGEMENT COMMITTEE
HELD ON MONDAY 7TH SEPTEMBER 1992

Present:

Ms Merrill (in the chair)
Messrs: Banbury, Clow, Pitts, Laughton, Birch, Coleman.
Mesdames: Ryan, Merry, Roberts, Walker, Pitts.

Apologies:

Mesdames: Dempsey, Woodward, Laughton, Martin.

Matters

Arising:

It has been assessed that it was too expensive to replace old light diffusers.

It was noted that the Playgroup was aiming to transfer to its new portacabin at half term.

It was agreed that the pedal bin in the kitchen would be used in place of a black bin liner.

It was also noted that the low windows in the hall were safety glass.

Bob Clow had visited Chervell District Council and they had paid the hall's hire fee for the election.

West Oxfordshire County Council are currently reviewing application to increase the number of people allowed in the hall to 150.

House:

Ross Proffitt had expressed concern over the untidy store - mattresses causing a problem.

A table top is loose.

A fluorescent light tube had been broken in the Away Team dressing room.

The village hall has registered with the appropriate authorities for Registered Waste Disposal.

Accounts:

Gala Day raised approximately £2,100 (accounts to be finalised).
Current account should be at approximately £3,500 (less debentures and sinking fund). Still awaiting VAT refund.

Gala Day:

The Gala Day was the most successful ever, and everyone agreed how enjoyable it was. Comments to be considered for next year:-

- Bar was drab, needed to look like a bar.
- Certain locations were wrongly placed, eg. behind Bouncy Castle.
- 6 aside football suggested.
- It was felt that welly wanging had had its day.
- Poor tug-o-war turnout was due to the rescheduling of the Woodstock Carnival.
- It was suggested that the Horticultural Society should present their prizes in the hall.
- A note of thanks to be placed in the Newsheet for all the helpers not on the committee.
