

MINUTES OF TACKLEY VILLAGE HALL MANAGEMENT COMMITTEE MEETING
30th September, 1997, at 8.00 p.m. in the Village Hall

Present: Messrs. R. Banbury (In the Chair), R. Clow, N. Ward.
Mesdames J. Bishop, C. Saxton, P. Thompson

Apologies: Mr. R. Holland-Oakes, Mrs. T. Holland-Oakes, Mrs. H. Taylor
Mr. J. Kavanagh

MINUTES: The minutes of the last meeting were read and approved.

MATTERS ARISING:

The bandages had not been purchased since the First Aid Box has been taken by someone from the Hall and a replacement first aid kit will have to be purchased. Mrs. Sian Hills is to be approached to obtain a new kit since she is a pharmacist and knows what should be included. It was pointed out that all hirers should provide their own first aid equipment, however, there must be a kit at the Hall for events organised by the Village Hall committee.

The hot water heater has now been installed in the disabled toilet. Unfortunately it is too high and will have to be adjusted.

HOUSE:

The car park light has been turned round.

We have heard nothing from Dulux re paint or from Lloyds TSB Foundation re funding scheme.

The outside window sills have been painted and Mr. Ward was thanked for doing this.

The polishing machine has gone wrong but this is at present being repaired.

There is a broken window handle upstairs and a broken door handle on the showers.

Mr. Clow has received a request from the History Society to store some of their records temporarily in the Hall. The Parish Council had suggested a strong storage space for some of the parish records also. This was something that had been discussed previously at the meeting in May, 1997, and Mr. Banbury suggested dividing the Gala Day storage area in half, making one half into a fire-proofed strong room for the storage of important parish documents and leaving the other half for general storage. This was proposed by Mr. Bob Clow and seconded by Mrs. Jane Bishop. It was thought that the Parish Council would probably pay for the work involved and this would be raised at the next Parish Budget meeting and hopefully the work would be carried out in the spring next year.

Mr. Clow has now obtained additional keys and Mrs. Bishop was asked to check the key lists.

ACCOUNTS:

All the hiring accounts are up-to-date.

CORRESPONDENCE: None

FUND RAISING:

Gala Day raised £580 clear profit.

Quiz Night - the date of this is to be changed to 29th November and a notice to this effect will be placed on the Village Green notice board.

Fireworks - These will probably be cancelled due to new safety regulations.

ANY OTHER BUSINESS:

Mrs. Saxton had been asked by Guides, Brownies and Toddlers to raise the question of dividing the pin board in the main hall into sections so that each organisation could keep their own section. It was pointed out that the pin board is there for the use of anyone who uses it and that each organisation could put up or take down any notices they want on their own meeting, and then replace the articles if necessary.

THE MEETING CLOSED AT 8
